## *Season's Greetings* from our President

As we wrap up our celebration of “60 Years of Excellence”, I wanted to take a moment to thank all of the clients, business partners and employees who have been so important to our success over the years. CCC of NY would not be the industry leader we have become without each of your contributions.

While we are proud of the legacies that our founder Bernie Engel and our late CEO, Bob Ingold created, we are excited about the future of CCC. Our board of directors, along with our day-to-day leadership team, has done a fantastic job of positioning CCC to continue to deliver the same great service we've built a reputation on while still pushing us forward with new value-added services for our clients, enhanced platforms and greater security which has become so important in today's digital economy. We've invested in the best people and systems to allow us to continue to raise the bar when it comes to service in today's business environment.

As we step into 2023, I'm proud to report that CCC is thriving, and will continue to grow and evolve as the market and our client's needs dictate. You can expect great energy, innovation, and dedication from our entire organization in how we go to market and in how we deliver on the commitments we make to each and every one of our clients.

In closing, I wish all of you a very happy, healthy and prosperous new year!

*From our family at CCC to yours, Happy Holiday's!*
